

## **YOU ARE INVITED TO CELEBRATE MAJOR HEALTHCARE TECHNOLOGY NEWS: RHODE ISLAND FINISHES FIRST IN THE NATION FOR E-PRESCRIBING**

Please join Governor Donald Carcieri as he recognizes three Rhode Island physicians with the first annual SafeRx™ award for their outstanding efforts to improve patient safety and practice efficiency through the use of electronic prescribing technology. Governor Carcieri will also accept a SafeRx award on behalf of the State of Rhode Island for finishing number one in the nation as part of the first ever nationwide ranking of electronic prescribing activity. There will also be honorary SafeRx awards given to recognize the contributions of key individuals throughout the state. In addition, Governor Carcieri is expected to announce healthcare technology goals that will extend Rhode Island's e-health leadership.

**Where:** Rhode Island State House, Providence; State Room  
**Date:** Monday, May 8, 2006  
**Time:** 1– 2 p.m. (Arrive by 12:30 p.m. to allow time for door security check.)

SafeRx recognizes how e-prescribing enhances patient safety by providing a more secure and accurate prescribing process. The National Association of Chain Drug Stores (NACDS), the National Community Pharmacists Association (NCPA) and SureScripts®, the largest network provider of electronic prescribing services, sponsor the SafeRx award.
